

Avanish Mishra

Assistant Electrical Engineer | 09670282020 | avanishmiss28@gmail.com | Jaunpur, Uttar Pradesh

PROFESSIONAL SUMMARY

Electrical Engineering graduate with experience in thermal power plant operations, field distribution management, coordination, reporting, and electrical systems. Currently working at IntelliSmart as Distribution Incharge handling field activities, operational execution, and workflow coordination.

CORE SKILLS

Electrical Systems & Troubleshooting • Power Plant Operations • Field Operations • Distribution Management • Safety Compliance • Technical Documentation • Site Inspection • Team Coordination • Problem Solving • Reporting

PROFESSIONAL EXPERIENCE

Distribution Incharge | IntelliSmart (Feb 2025 – Present)

- Managing field operations and distribution-related activities.
- Coordinating with teams and handling operational reporting.
- Monitoring field activities and resolving operational issues.

Intern – Anpara Thermal Power Plant (Jun 2024 – Aug 2024)

- Assisted engineers in plant operations and preventive maintenance.
- Worked with turbines, transformers, and industrial safety systems.
- Prepared operational reports and technical documentation.

Desk Engineer | Aka Logistics (Jan 2021 – Aug 2021)

- Provided technical support and handled documentation activities.
- Assisted in troubleshooting and workflow coordination.

EDUCATION

B.Tech in Electrical Engineering – Mahakaushal University, Jabalpur (2025)

Diploma in Electrical Engineering – Ambalika Institute of Professional Studies, Lucknow (2020)

ITI in Electrical – New Indian ITI, Anpara (2018)

ACHIEVEMENTS

- Successfully completed internship at Anpara Thermal Power Plant.
- Worked on live industrial systems and field operations.
- Participated in technical workshops and engineering seminars.
